Substance of Interview

(For each issue discussed, provide a detailed description and indicate if agreement was reached. Some topics may include: identification or clarification of a reference or a portion thereof, claim interpretation, proposed amendments, arguments of any applied references etc...)

In the Non-Final Office Action of 9/2/2011, Examiner Swearingen indicated that Applicant's representative should contact the Examiner to discuss allowable subject matter. See page 15. In the Final Office Action of 1/20/2012, on page 1 it was indicated that Applicant's representative should contact the Examiner to discuss allowable subject matter. A pre-appeal brief was filed on 4/20/2012. On 5/22/12 and 5/23/12, the Examiner again attempted to contact Greg Gramenopoulos and Cory Bell by telephone regarding scheduling an interview to place this application in condition for allowance. Applicant's representatives have not returned the Examiner's phone calls at the time of mailing this interview summary. This application can be placed in allowable form if Applicant's representatives are willing to discuss the application with the Examiner.

Applicant recordation instructions: It is not necessary for applicant to provide a separate record of the substance of interview.

Examiner recordation instructions: Examiners must summarize the substance of any interview of record. A complete and proper recordation of the substance of an interview should include the items listed in MPEP 713.04 for complete and proper recordation including the identification of the general thrust of each argument or issue discussed, a general indication of any other pertinent matters discussed regarding patentability and the general results or outcome of the interview, to include an indication as to whether or not agreement was reached on the issues raised.
